Read docket No. 3158—309 of the 23rd September 1894, from the Executive Engineer, sending as requested an estimate for Rs. 255 for diverting the dirty water of the village of Belikere in the Hunsur Taluk, and preventing it from going into the tank of the village, the water of which is used by the villagers for drinking.

Resolved that the estimate be passed.

3. Read report No. 64 of the 27th March 1895, from the Amildar of Hunsur, sending an estimate for Rs. 500 for opening out roads in the fort of Periyapatam and improving the sanitation of the place.

	55	0	0

Further discussion adjourned to tomorrow at 3 P. M.

7. Read Government order No. 410-17—L. F. 71-94 of the 9th July 1895, enquiring if the Musafarkhanas should be lit and if so what amount is required monthly therefor.

Resolved that the Government be replied that it is necessary to light the Musafarkhanas and that eight annas per month are sufficient for each of them.

8. The proposal of Mr. Annaiya Pandit to have a Musafarkhana built at Ummattur in the Chamrajnagar Taluk was considered.

As numerous carts halt there on their way to Santemarahalli where a very large fair is held every week, resolved that the proposal be passed and the construction of a Musafarkhana arranged for early.

9. Considered the proposal of Mr. Annaiya Pandit that the District Fund road from T. Narsipur to Chamrajnagar be bridged.

Resolved that as nearly 500 carts pass on that road every week, it (the road) be bridged gradually at the rate of two or three culverts or one or two bridges a year.

10. Read report dated the 26th July 1895, from the Amildar of Gundlupet, urging the necessity of appointing a sweeper for the Musafarkhana at Bandipur in his Taluk.

Resolved that the appointment of a sweeper on Rs. 3 per month be recommended to Government.

11. Read Yadi No. 449 of the 16th April 1894, from the 2nd Assistant Commissioner, urging the prayer of raiyats for a road from Chamrajnagar to Hongnur.

As the proposed road will lead to the important fair at Terkanambi and as the raiyats have agreed to do the needful earthwork, resolved that after the road is made by the raiyats the necessary culverts, &c., be constructed at the cost of the District Funds.

12. Read the Executive Engineer's docket No. 2346—236 of the 14th July 1894, sending an estimate for repairing the Musafarkhana at Begur in the Gundlupet Taluk.

Resolved that the estimate be sanctioned for Rs. 51.

13. Read letter No. 112 of the 9th July 1895, from the Senior Surgeon, enquiring if the District Fund Board will pay a part of the amount required for buying a site in the town of Mysore for the construction of a house for the Lady Assistant Surgeon in charge of Her Highness the Maharani's Hospital at Mysore, in lieu of the one transferred to the Lady Superintendent of Her Highness the Maharani's Girls' School as per orders of the Dewan.

As there is an order of Government that no amount out of the District Funds should be spent in Municipalities and as further there is no reason to afford funds for the purpose referred to from the District Funds, resolved that the Senior Surgeon be informed that this Board is unable to comply with his request.

14. Read the proposal to raise the pay of the Hakim of the Indigenous Hospital at Mysore, from Rs. 25 to Rs. 40.

The Hindu pandit of the hospital gets Rs. 40. The Hakim gets only Rs. 25, although both do equally good work. One-third of their pay is paid by the Mysore City Municipality and two-thirds by the District Fund Board, but Rs. 15 out of the pay of the Hindu pandit is paid out of the Local Funds General. Under these circumstances and as the Mysore Municipality has agreed to pass the increase applied for by the Hakim, this Board also resolves to agree to the increment, but wishes to suggest that the increase be paid out of the Local Funds General as is done in the case of the Hindu pandit.
